#### AGREEMENT

This agreement is made on the date written below.

The parties to this agreement are Henry R. Timman and Martha R. Timman (hereafter Timman) and the Huron County Regional Airport Authority (hereafter HCRAA).

The HCRAA which operates the Huron County Regional Airport, and along with the Huron County Commissioners, is a Co-sponsor of various Federal Aviation Grants for improvements to the facilities of the airport.

It is the desire of the HCRAA as a function of the operation of the airport to remove certain trees that border the airport and are on lands owned by Timman. In order to finance the removal of these trees, the HCRAA and the Huron County Commissioners have applied to Ohio Department of Transportation, Aviation Division, for a grant that would pay for the removal of said trees.

It is therefore agreed as follows.

- Timman does hereby grant to the HCRAA, and their contractors, the right to enter onto certain lands hereafter described for the purpose of felling trees, removing stumps, removing limbs and cutting and stacking firewood and all other reasonable activities related to the removal of the designated trees.
- 2. The trees to be felled are located along the west border of Permanent Parcel Number 480040030250000 which is more fully described in Huron County Deed Volume 329, Page 545, and containing approximately 67.82 acres of land, and the tree line runs for a distance of approximately Four Hundred Fifteen Feet along the western most line of Timman property which abuts property owned by the Huron County Commissioners.
- 3. HCRAA authority shall cause the trees along this line to be felled, and all brush to be removed. The brush and limbs shall be removed from the property. Timman has the option of retaining ownership of all wood suitable for firewood. If Timman elects to retain such it shall be cut and stacked along the tree line. If Timman elects not to retain the firewood it shall be removed by the HCRAA. Stumps to be grubbed or ground out to sufficiently for a six inch plow depth.

- 4. HCRAA and its contractors will ensure that all work on the land owned by Timman will be preformed when weather conditions are such that the land is not wet and so that the work does not leave a rutted condition of the land.
- 5. Nothing in this Agreement shall require the Huron County Commissioners to perform any act or forbear from performing any act. Both Timman and the Huron County Airport Authority waive any claims the may have against the Huron County Commissioner with respect to any acts done under this agreement. The Huron County Commissioners are not parties to this agreement and are named only to explain the process of obtaining a grant from Ohio Dept of Transportation.

KERNELLS

- 6. HCRAA and it's contractors shall schedule of work so as not to interfere with Linder's farming operation and shall work in such a manner as to preserve any of Linder's planted crops and shall leave the elderberry bushes intact. KERNELL'S
- 7. This agreement is contingent upon the HCRAA obtaining, as cosponsor, a grant from the Ohio Department of transportation for the removal of the described trees. In the event said grant is not made by ODOT, the HCRAA shall have no obligations under this agreement and Linder acknowledges that in such event Timman has no claim against the HCRAA. Under no circumstances shall the HCRAA be obligated to pay for, reimburse, or otherwise compensate Timman or fell any trees or do any work at a cost greater than the final grant amount allocated by Ohio Dept. of Transportation.
