RE: Notice of Project Approval (NPA), FY2019 Ohio Airport Matching Grant Program

Dear: Ms. James

The Ohio Department of Transportation (ODOT) has approved a state Fiscal Year 2019 matching grant for the Norwalk-Huron County Airport. ODOT will provide 5% of the eligible costs of the subject project, up to a maximum of \$11,484.00 and will not exceed that amount of the total eligible cost of the FAA Fiscal Year 2018 grant.

The following FAA grant has been approved for a matching grant: **3-39-0062-011-2018**

The amount of the final grant award will not be greater than the amount stated in this NPA. ODOT will NOT increase the ODOT grant amount to reflect any change orders that might increase the FAA grant amount.

This is not a grant agreement or a grant award. You will receive an unsigned ODOT grant contract for the ODOT award amount upon receipt of the listed documents, to be signed and returned to ODOT.

The following documents must be submitted prior to a grant project being generated:

Application Letter
Signed Appendix B Standard Assurances

Certified copy of sponsors resolution

If the above area is blank, the Office of Aviation has all documents and will issue a grant contract shortly. All information pertaining to this project should be sent to the following address:
